

4-COURSE FORMAT

Theoretical and Practical Hours

Students who have completed the 4-course format of Myopain Seminars most likely will be short approximately 9 theoretical hours!

According to our calculations you will have the equivalent of:

DN-1	THEORY: 9:50	PRACTICAL: 15.50
DN-2	THEORY: 9.25	PRACTICAL: 15.75
DN-3	THEORY: 10.00	PRACTICAL: 12.25
DN-4	THEORY: 2.25	PRACTICAL: 13.75
<hr/>		
TOTAL 4-COURSE	THEORY: 31.00	PRACTICAL: 57.25

Students who completed the optional Pelvic Pain section which was offered during the DN-3 course, received additional hours:

PELVIC DN-3	THEORY: 0.50	PRACTICAL: 1.50
TOTAL 4-COURSE + PELVIC	THEORY: 31.50	PRACTICAL: 58.75

SUMMARY:

1. GRADUATES WHO HAVE COMPLETED THE 4-COURSE FORMAT WITHOUT THE PELVIC COMPONENT ARE LACKING 9.0 HOURS FOR THE THEORETICAL PART OF THE COURSES.
2. GRADUATES WHO HAVE COMPLETED THE 4-COURSE FORMAT WITH THE PELVIC COMPONENT ARE LACKING 8.5 HOURS FOR THE THEORETICAL PART OF THE COURSES.
3. **ALL GRADUATES OF THE 4-COURSE FORMAT WILL NEED TO COMPLETE ADDITIONAL THEORETICAL COURSE WORK.**

Keep in mind that this is according to *our* calculations, not the Board's. The Board will perform its own evaluation.
