

PELVIC PAIN DN COURSE

Theoretical and Practical Hours

According to our calculations students who have completed the Pelvic Pain Dry Needling course format of Myopain Seminars most likely will have the equivalent of:

| Course Name | Theory | Practical |
|---------------|--------------|--------------|
| PP-DN | 10.50 | 13.50 |
| TOTAL: | 10.50 | 13.50 |

Keep in mind that this is according to *our* calculations, not the Board's. The Board will perform its own evaluation.
